A LETTER FROM GHANA

May the good Lord bless all of you. It is so wonderful how the Lord takes care of His creation even in difficult times. Ghana is now passing through a very crucial time in its history. During the months of February and March this year wild bush fires burnt down crops in the land, including cocoa trees and food stuff. Even animals in the thick forest and grass lands were destroyed. Elephants, antelopes, and many others were victims of the fire. One evening I was meditating on my verandah when I saw some farmers carrying big loads. Mistaking the loads for food, I inquired and was told that they were carrying the bodies of an elephant and other animals discovered in the bush. I prayed to God to pour down rain to quench the uncontrolled fires burning miles away. I was disturbed and restless that evening. Can you imagine innocent animals resting quietly underneath their normal hiding trees and caves suddenly being surrounded by burning red fires to claim their lives? Two sisters visited me that evening and we prayed for help from our Father in heaven. Sure enough the Lord answered our cry. Before midnight the rain fell after three months draught. There is a shortage of some food items, but God is taking care of His people. The fields are green again, and the wonder of the Lord is manifested. Praise the Lord.

PROGRAMS

THE HEALING MINISTRY

The Lord blesses this work with many remarkable healings of body, mind and spirit. At Faith Center and in institutions around the city we pray with the sick and give counsel to those who are oppressed. Through our prayer fellowship, the Circle of Power, we reach out with the healing love of Jesus Christ to people all over the world.

THE CLOWN MINISTRY

Our ministers and volunteers become clowns for Christ, bring love, laughter and toys to children who are terminally and seriously ill. Volunteers are welcome in many capacities, and we invite you to call Faith Center.

THE PRISON MINISTRY

Our work focuses on the importance of each person undergoing a profound personal change, by receiving Christ, so that, upon release, he or she does not simply return to a self-destructive lifestyle. Our current programs include counseling in Georgia's death row

ANIMAL ACTION

When God gave mankind dominion over the earth and its creatures He did not have in mind the abuse and abandonment of His creatures, nor their torture in scientific experiments. Nevertheless these things happen on a vast scale. We, therefore, give a very high priority to working against such abuse wherever we can

Captain America (Young Timothy) prepares to visit Grady Hospital in the company of old hands, Daffydil (Rev. Nathania Gartman) and Lilac (Rev. Grace Michaels).

Miracles Do Happen

Atlanta: You will probably have seen mention in these columns before of a little boy, Girard, who was 11 months old when Daffydil (Rev. Nathania Gartman) and Lilac (Rev. Grace Michaels) first met him in Grady Hospital back in the spring. This was also the time when all members of our prayer fellowship, the Circle of Power, started praying for him.

Since birth Girard had never left the hospital. He was premature, but worse by far was the fact that he was on a respirator and breathed only through a tube inserted in his throat, and, naturally, he could not eat normally. The doctors fully expected him to be on a respirator for the rest of his life. Despite all this Girard's spirit was strong and cheerful. The doctors, and God bless them for all they do for Girard and all the other children, clearly were not reckoning with the healing power of the Lord. Minor problems remain as a result of Girard's premature birth, but the miracle is that he is permanently off the respirator, the incision in his throat has been sown up, he is eating normally, he is home for the first time in his life, and growing up like any normal youngster. Did someone say miracles don't happen today!? Praise the Lord for His wondrous healing.

Birmingham: The recent visit to Birmingham by Revs. Grace Michaels and Matthew Gartenlaub was truly blessed by the Lord. Seven volunteers showed up to be initiated into the mysteries of clowning. Sharon Craiger, a member of the Circle of Power, brought her friends, and Mike Bobyarchak of the Jefferson County Sheriff's Department brought along several members of "the Explorers," a group of young people he supervises who are involved in law-enforcement.

Everyone had a wonderful time visiting the kids in Children's Hospital, and Sharon is currently meeting with other hospital administrators with a view to taking the Clown Ministry into their hospitals. Several new volunteers have come forward, and the Lord has blessed the whole situation with momentum and enthusiasm. Praise God for these developments, and for Sharon, Mike, and all the volunteers who are doing so much to expand the Lord's work through the Clown Ministry in Birmingham.

COVENANT MONTH

The period October 20-November 20 is a special time for all Founders (members of The Foundation Faith of God) known as Covenant Month. It marks a time going back to the founding of the ministry, a time when each of us remembers his or her original covenant with the Lord, a time to re-dedicate ourselves to His purpose. We invite you to join with us both in spirit and in our Celebrations, and in your own way to make it a time of renewed and strengthened contact with the Lord.
